

SHARE II Request for proposals

The South African Heart Association Registry phase II (SHARE II) is now ready to invite interested parties to submit their study proposal. SA Heart will partner with the applicant. While the applicant will be responsible for managing and funding the study or special registry, SA Heart will provide the SHARE II database for the collection of data. The SHARE committee can give guidance as to study protocol and methodology and support data analysis.

PLEASE COMPLETE YOUR APPLICATION and submit to elizabeth@vodamail.co.za and CC to erika@saheart.org
